Dear Manu,

You are currently registered for USMLE Step 2 CK in the eligibility period January 1, 2013 – June 30, 2013. As stated in the *ECFMG Information Booklet*, once registered, you cannot cancel or postpone your registration. If you do not schedule and take the exam, you will not receive a refund or credit of your exam fee.

If you have a scheduled appointment during your eligibility period and need to cancel the appointment, you must contact Prometric to cancel that appointment. A fee may be charged if you change your appointment, depending upon how much notice you provide when making the change.

As indicated in the *USMLE Bulletin of information*, if you register for but do not begin an examination, no record of the test will appear on your transcript.

Sincerely,

Kara
